

## **CDBG-DR Action Plan Updates Questionnaire**

The Florida Department of Economic Opportunity (DEO) is pleased to announce an additional allocation of \$157 million in Community Development Block Grant-Disaster Recovery (CDBG-DR) funding. The additional CDBG-DR funding, announced by the U.S. Housing and Urban Development (HUD), will be used to address the remaining unmet disaster recovery needs resulting from Hurricane Irma. Please [click here](#) to view a summary of the action plan as it is currently written. Please note, with the additional funding, new communities have been added to receive 80 percent of the funding. These changes will be incorporated in a substantial amendment.

It is our hope for you to participate in DEO's questionnaire and provide feedback on our programs. This feedback will be used to assist us in updating our unmet needs assessment and our action plan. Please click the link here to take the survey: [www.surveymonkey.com/Questionnaire](http://www.surveymonkey.com/Questionnaire). The survey will take approximately 5-10 minutes. The survey will close Friday, September 21, 2018.
