LESSONS LEARNED

- Comments from Communities Providing Rent Subsidies
  - West Palm Beach
  - Kissimmee
  - St Petersburg
  - Alachua County
  - Sarasota County
Variations of Assistance

- Consider similar programs (for instance ESG Rapid Rehousing) and their policies regarding:
  - What portion of monthly rent is paid?
  - How long?
  - Is rent amount gradually reduced?
- Best practice and typical:
  - Individualized approach rather than same assistance for all households
  - Based on need
  - NOT contingent upon service participation, employment

More about Sample Strategy

- Maximum Award
  - Varies by rental market rates and portion of rent paid
  - Similar rapid rehousing programs: average $4,000-$8,000 per household

Condition of Units to be Rented

- No requirements specified so local jurisdiction make policy
- Similar programs require housing inspections:
  - HUD CoC Rapid Rehousing and HUD Housing Choice Vouchers require inspections for HUD Housing Quality Standards (HQS)
  - ESG Rapid Rehousing requires inspections for compliance with Habitability Standards, somewhat less restrictive than HQS

Recipient Selection Criteria

- Recommended: Applicants who are homeless should be referred through the local homelessness Continuum of Care (CoC) Coordinated Entry system and tracked through the Homeless Management Information System (HMIS)
- Non-homeless special needs applicants might be referred by ARCs, Centers for Independent Living, and other disability organizations
- Recommended: Do not take self-referrals; work with referral agencies to ensure collaboration, need, and eligibility

Sub-Recipient Selection Criteria

- Recommended: utilize subrecipients to administer the rental assistance
- Look for local nonprofits that have:
  - Experience managing similar programs,
  - Background information on many applicants (e.g., through the Homeless Management Information System),
  - Capacity to provide housing stability counseling

May Sub-Recipients Receive SHIP Service Delivery Fee?

- Yes – if it is reasonable and related to limited scope of services provided. Fee may be paid with SHIP program dollars.
- SHIP cannot support broad “case management” (e.g., mental health and substance abuse counseling).
- SHIP supports “housing stability counseling”:
  - Initial applicant qualification,
  - Linking with services to promote housing stability (benefits, employment, disability income)
