Tracking & Reporting Timing

June 30: Encumbrance & Expenditure Deadline

• FY 16/17 (close-out) all funds must be expended
• FY 17/18 funds must be expended or encumbered
• FY 18/19 funds may be expended, encumbered or unencumbered
• Encumber for real, eligible applicants
FAQ on SHIPDATA Spreadsheet

Will we use this new spreadsheet for 2016/17?
• Yes, that is correct.

Will there be one data spreadsheet for each allocation?
• No, instead there is one SHIPDATA spreadsheet for each Annual Report period. It contains data about the closeout, interim 1 and interim 2 SHIP allocations.

Is this spreadsheet instead of or in addition to TRAKSHIP?
• Instead of that form.
One New Spreadsheet Every Year

• Track 3 allocations on data upload spreadsheet

• In October after completing Annual Report
  ➢ Copy Data upload spreadsheet to begin your 2020 tracking
  ➢ Delete 16/17 Data
  ➢ Add additional 17/18, 18/19 and 19/20 data
FAQ on SHIPDATA Spreadsheet

Some clients are assisted with a combination of forgivable loans and grants, but you can only choose one from the ‘Funding Type’ drop down menu.

• Choose the assistance type that describes the largest amount of assistance received.

For a rehab client with only some draws completed, do we enter two amounts for what is encumbered and expended?

• All the SHIP funds are considered encumbered until ALL funds are spent, and the project is complete.
Pre-training Exercise: Identify Problems on the SHIPDATA Spreadsheet

City receives $100,000 annually. Recent expenses are on SHIPDATA. Can you identify problems?

- Expenses greatly exceed revenue for the Closeout Year
- There are no entries for the Interim 1 year—is this funding encumbered like expected?
- There are no entries for the Interim 2 year: is it all unencumbered?
More Problems on the SHIPDATA Spreadsheet

One name and one address missing
Too much for rental
Rent deposit assistance does NOT meet the 75% set-aside requirement (nor 65% set-aside)
Seems like too much per award for rent deposit
Some of the close out is encumbered. Should all be expended.
Too much for Moderate Income
No special needs

COMPARSED WITH

Current balance of the SHIP Local Housing Trust Fund
The Florida’s Single Audit Act

• A single audit is required of local governments with program funds totaling more than $750,000.

• Auditors review a percentage of all local funds, usually including SHIP
Quotes from State Projects Compliance Supplement Part 3, Section H. Reporting

• “Audit Objectives: Determine whether required reports include all activity in the reporting period”

• Suggested Audit Procedure #3: “Select a sample of reports and test specified line items for accuracy and completeness.”
TO DO: Local Governments with less than $750,000 of State Funds

• If less than $750,000 cumulative from all sources of state financial assistance, FSAA is not required

• “Recipient should provide certification to the FHFC SHIP Program Financial Manager that a single audit was not required… The certification should be in electronic format (email, letter, memo, etc.)… The name and title of the certifier, date submitted, and name of the recipient entity should be included”

A Change Related to the Florida Single Audit Act

Tell your Auditor and Finance staff: the CSFA number (Catalog of State Financial Assistance) for SHIP has changed.

• The old number was 52.901
• The new number is 40.901
• Use new number to report from 15/16 forward.
Certification Form

• Part 1: “Annual Report information submitted electronically to Florida Housing Finance Corporation is true and accurate”

• Other Parts: Regulatory Reform Certification
  • Report data for Fiscal Year ending this June 30.
  • Estimate housing cost increases

• Signed by Chief Elected Official or Designee
Research for the Certification Form

From Annual Report Certification:

There is an ongoing process for review of local policies, ordinances, regulations, and plan provisions that increase the cost of housing prior to their adoption.

3) The cumulative cost per newly constructed housing unit from these actions is estimated to $_________.

4) The cumulative cost per rehabilitated housing unit from these actions is estimated to be $___________.
