

THE FLORIDA HOUSING COALITION

The Florida Housing Coalition, Inc., is a Florida nonprofit and 501(c)(3) statewide membership organization whose mission is to bring together housing advocates and resources so that all Floridians have a quality affordable home and suitable living environment. The Coalition carries out this mission recognizing that decent and affordable housing is a human necessity and an integral part of community revitalization and economic development.

The Coalition provides professional consultation services on affordable housing, fair housing, ending homelessness, and related issues to nonprofit organizations, local governments, and their private sector partners.

We support community-based partnerships in leveraging resources and advocate for policies, programs and use of funding resources that maximize the availability and improve the quality of affordable housing in Florida.

Our team consists of highly skilled professional staff in office locations throughout the state. Our Technical Assistance Team provides assistance in all areas of affordable housing planning, finance, and development.

Our professional technical assistance team also includes the expertise of our geographically dispersed 25-member Board of Directors. The FHC Team can help with every aspect of locally-administered housing programs from internal controls to capacity building for nonprofit partners. We can work with you one-on-one at your office or arrange larger workshops to assist you with implementation of your housing programs.
